class of service for which the fare has been paid. When the flight coupons remaining in the ticket involve one or more stopovers, the validity of such ticket, subject to Carrier's Regulations, will be extended for not more than three months from the date shown on such certificate. In such circumstances, Carrier will extend similarly the period of validity of tickets of other members of the passenger's immediate family accompanying an incapacitated passenger.

#### 11.5 Refund on Lost Ticket

11.5.1 If a ticket or portion thereof is lost, refund will be made on proof of loss satisfactory to Carrier and upon payment of any applicable service charge, on condition:

To the extent not in conflict with the foregoing and whether or not the Convention applies:

16.3.1 Carrier is liable only for damage occurring on its own line. A Carrier issuing a ticket or checking baggage over the lines of another Carrier does so only as agent for such other Carrier. Nevertheless, with respect to checked baggage the passenger shall also have a right of action against the first or last Carrier;

16.3.2 Carrier is not liable for damage to unchecked baggage unless such damage is caused by the negligence of Carrier. If there has been contributory negligence on the part of the passenger, Carrier's liability shall be subject to the applicable law relating to contributory negligence;

16.3.3 Carrier is not liable for any damage arising from its compliance with any laws or Government regulations, orders or requirements, or from failure of the passenger to comply with the same;

16.3.4 except in the case of acts or omissions done with intent to cause damage or recklessly and with knowledge that damage would probably result, the liability of Carrier in the case of damage to checked baggage shall be limited to ... per kilogram and in the case of damage to unchecked baggage shall be limited to ... per passenger, provided that if in accordance with applicable law different limits of liability are applicable such different limits shall apply. If the weight of the

baggage is not recorded on the baggage check, it is presumed that the total weight of the checked baggage does not exceed the applicable free baggage allowance for the class of service concerned, as provided in Carrier's Regulations. If in the case of checked baggage a higher value is declared pursuant to 9.7, the liability of Carrier shall be limited to such higher declared value;

16.3.5 Carrier's liability shall not exceed the amount of proven damages. Carrier shall furthermore not be liable for indirect or consequential damages;

16.3.6 Carrier is not liable for injury to a passenger or for damage to a passenger's baggage caused by property contained in such passenger's baggage. Any passenger whose property causes injury to another person or damage to another person's property or to the property of Carrier shall indemnify Carrier for all losses and expenses incurred by Carrier as a result thereof;

16.3.7 Carrier is not liable for damage to fragile or perishable items, money, jewellery, precious metals, silverware, negotiable papers, securities, or other valuables, business documents, passports and other identification documents, or samples, which are included in the passenger's checked baggage;

16.3.8 if a passenger is carried whose age or mental or physical condition is such as to involve any hazard or risk to himself or herself, Carrier shall not be liable for any illness, injury or disability, including death, attributable to such condition or for the aggravation of such condition;

16.3.9 any exclusion or limitation of liability of Carrier shall apply to and be for the benefit of agents, employees and representatives of Carrier and any Person whose aircraft is used by Carrier and such person's agents, employees and representatives. The aggregate amount recoverable from Carrier and from such agents, employees, representatives and persons shall not exceed the amount of Carrier's limit of liability.
